Plaintiff US Right to Know (“Plaintiff”) and defendant United States Department of Education (“Defendant” or “Education Department”), by and through their undersigned counsel, hereby STIPULATE and respectfully REQUEST that the Court continue the parties’ initial case management conference (“CMC”) set for October 5, 2022 at 1:30 p.m., ECF No. 29, until **January 4, 2023 at 1:30 p.m.** This stipulation is based on the following facts:

1. This action, filed on December 17, 2020 under the Freedom of Information Act (“FOIA”), concerns one FOIA request that Plaintiff directed to the Education Department, dated July 6, 2020. ECF No. 1 ¶ 35; ECF No. 11 ¶ 35. The request seeks certain records that the University of Texas System (“UT”) submitted to the Education Department pursuant to the Education Department’s request. ECF No. 1 ¶ 36 & Ex. B. As the parties previously reported to the Court, since the filing of the lawsuit, the Education Department has answered the complaint, the parties have met and conferred regarding the

FOIA request and the collection and processing of records, including by telephone and email, Defendant completed the process of locating potentially responsive records, and the parties stipulated to a schedule for processing these records and working in good faith to resolve all issues in this case, ECF No. 20, which this Court entered as an order of the Court on April 15, 2021 ("Order"). ECF No. 21.

2. Since that time, the Education Department has timely made monthly productions of records in accordance with the Order. These productions are ongoing. Accordingly, the parties stipulate and respectfully request that the Court continue the parties' initial CMC by approximately three (3) months, from October 5, 2022 until January 4, 2023, so that the parties can continue this process, as set forth in the Order.

SO STIPULATED.

Respectfully submitted,
